

The DEMIL Code is found on the Material Master under the Sales: Sales Org. 2 Tab.

When you get to the tab if you do not see the “Material groups” section, then click on the Org. Levels Icon, fill in the Plant, Sales Org., and Distr. Channel information and click Enter.

The screenshot shows the SAP interface for displaying material 014645073 (NIIN). The main window has tabs for 'Sales: Sales Org. 1', 'Sales: Sales Org. 2', 'Sales: General/Plant', and 'Foreign...'. The 'Sales: Sales Org. 2' tab is active. Below the tabs, the material name 'HORN BUTTON, VEHICLE' is displayed. The 'Material' field contains '014645073', 'Sales Org.' contains '2001', and 'Distr. Chl' contains '01'. The 'Sales Org.' field is highlighted with a red box, and a red arrow points from the 'Org. Levels' icon in the top toolbar to the 'Organizational levels' dialog box. The dialog box shows the following data:

Organizational levels		
Plant	2001	Working Capital Plant
Sales Org.	2001	Army SSA Sales Org.
Distr. Channel	01	Army Distr. Channel

Below the dialog box, the 'Material groups' section is visible. The 'DEMIL CD' field is highlighted with a red box and contains the value 'A'. Other fields in this section include 'Air Commodity Code' (V), 'Water Commodity Code' (585), 'Essentiality Code' (C), 'Type Cargo Code' (Z), and 'Air Handling Code' (Z). The 'Product attributes' section at the bottom contains ten checkboxes, all of which are unchecked.
